

# Ms. Casandra's Class News

2nd grade - Room 224

PS.111 - 2/11-2/15

## Math

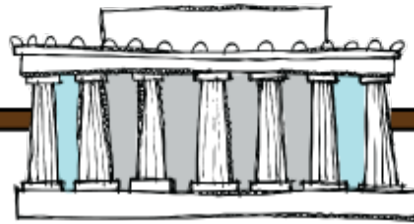

- Building fluency in two-digit addition and subtraction and applying that fluency to one- and two-step word problems of varying types.
- Increasing fluency with calculations within 100 allows for word problems to transition from being mere contexts for calculation into opportunities for students to see and analyze the relationships between quantities.

## Reading & Writing

Reading - Launching Nonfiction Book Clubs Unit. Reviewing how to read nonfiction texts and how to share what they learned in a book club.

Writing - Introduction to writing like scientists and how they study the world around them, posing questions and hypotheses, conduct experiments and write about their results in lab reports.
