

Our Team's Newsletter

Ms. Casandra's Class

2nd–3rd Grades

May 9–13

Reading – Start researching and paraphrasing information for our website.

Writing– Continue to read classic fairytales this week for students to use as a base for their adapted fairy tale

Math – Use estimation and rounding to solve real–world problems

Science & S.S.

Science – Continuing with Mr. A with the human body and its functions

Social Studies – Continuing with our journey on studying China. The Great Wall of China and other landmarks.

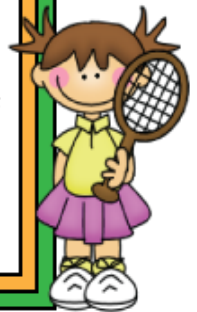

Spelling Words

Group One: arteries, heart, veins, stomach,

Group Two: pancreas, esophagus, vertebrae, gallbladder, phalanges

*Instead of writing sentences on the spelling test this week, students will write the definitions. These words support our science lesson this week.

Reminders

Curriculum Night – Thursday, May 12th,
4:30–7:30

Trip to Botanical Garden – Friday, May
13th
