### Reminders

Friday, Oct 19th- Family  
Friday 8:30-9:00

## What's the **BUZZ?**

### Reading & Writing

Reading - 2nd Graders roll up their sleeves to figure out tricky words, drawing everything they know.

- Readers use more than one strategy at a time: Figuring out what makes sense and checking the first letters
- Readers are flexible word solvers and use multiple strategies at the same time

Writing - Discovering Small moments that matter

- Capturing Story Ideas
- Stretching out small moments

*bee happy*

### Math

- Connect measurement with physical units by using multiple copies of the same physical unit to measure.
- Use iteration with one physical unit to measure.
- Apply concepts to create unit rulers and measure lengths using unit rules

### SS.

Introducing the Royal Floor Plan Project
