

Our Team's Newsletter

Ms. Casandra's Class

2nd grade – Room 224

October 22nd–26th

- Reading – Pay close attention to authors
- Authors have attentions
 - Readers don't just notice craft moves, they try them!
- Readers think about how the whole book clicks together, noticing masterful writing
- Readers think, "What does the author want to teach me?"
- Writing – Rereading like detectives—malin sure our writing makes sense and sounds right
- Setting goals and making plans for writing time
 - Revising with intent

Math & Social Studies

- Lesson 6: Measure and compare lengths using centimeters and meters.
- Lesson 7: Measure and compare lengths using standard metric length units and non-standard length units; relate measurement to unit size.
- Lesson 8: Solve addition and subtraction word problems using the ruler as a number line.
- SS—Continue with floor Plan Project
